<p>New Business</p>	<p>Taken out of order Request from Somerset Berkley Athletic Booster Club, speaking Harold Farrell from Rockwell Amusements, Marc Oliveira Stanley Ave from the Booster Club. Mr Miller thinks this is a great idea and likes seeing that we are using the common more with different events. Miller asked if this is the first time that SBRHS Booster Club, Oliveira stated this is the first time. Farrell stated that if it is raining they cannot run. The full week is for the setup actually only running from June 11th – 14th Thursday, Friday, Saturday and Sunday. 1-10 on Saturday and Sunday would be 1-8/9pm. Mr Miller asked about the conversation with the Fire Chief, and Police Chief. The Fire Chief said they didn't need to have a Fire detail, the Police Chief stated during operating hours they will be required to have a police detail. He did not specify if they would require more than 1 detail officer. Mr Miller asked if there was any input with the Historical Society. TA stated that she has updated the BOH and Building Inspector that it is coming. We also have a COI. Mr Farrell stated he can send a copy of all the background checks of all his employees that will mail it to me. Would have about 4 porta potties and they are cleaned every day. And a portable dumpster that will come every day to pick up the disposable dumpsters. Mr Miller asked about signage. Mr Farrell said he likes to get printed banners and will send them to Oliveira. It is to raise funds for SBRHS Boosters and supplies athlete jackets, equipment and anything the student athletes will need and would be less fundraising per student athlete that would be required.</p> <p>Right of first refusal 11 Babbitt Way, Ms Martin-Sterling gave background info that the property was already sold on December 12, 2019 there was an Agricultural tax lien and the Title company gave seller invalid information at the time of the sale. It was then brought to the Assessor's office that they are willing to update everything that needs to be done in order to make the sale a valid sale. Jeanne Russo from Assessor's Office came in and gave an overview. Agricultural Lien was never lifted with the property was sold. They decided to ask the Attorney of the sale to write a letter to Board of Selectmen for a right of first refusal. New owner came in and spoke to Mark Petty and they will be keeping it agricultural. As soon as the Board of Selectmen sign the Right of First Refusal the new owner will come in and pay any back fee and the Assessor's office will lift the Lien. Mr Miller thought the previous owner should pay the taxes that are due? Typically when someone sells the property they have to pay what they saved by having a tax break being in Chapter land. He thinks the seller should be paying the town now for the roll back or conveyance of the remainder of the 10 years. Mr Miller would like to know a little bit more about the property. Usually when this happens the Town gets to see the P&S also to view the land. Ms Cochrane is asking if it changes owner but not use does it just transfer. Ms Russo is unsure as we don't do very many of these. Mr Miller thought that the Town would get the Conveyance Tax or Roll Back. To his understanding in order to sell it you need to take it out of Chapter Land and then the new seller is to put it back into Chapter Land. Wants to know who is paying the deferred taxes of the previous owner. Ms Russo thinks the role back would only be about \$400.00. The TA found the M.G.L. if sold for other use within the period of 10 years at 8th year it is 3% of Market Value, if it is not being used for the same thing. Conveyance tax is only assessed if any portion of the land is changed. TA read into the record the part of M.G.L that states if it is a change of use.</p> <p>Notice from the Town of Dighton regarding an agreement with the Town of Dighton and the Town of Berkley, this will allow the Town of Berkley to use the firing range in the Town of Dighton at no cost to the town.</p>	<p>Miller 2nd, voted.</p> <p>Cochrane motioned to approve the use of the Common for the SBRHS Boosters Club from June 8, 2020 1- June 14, 2020 per the hours listed on application, Miller 2nd, voted.</p> <p>Cochrane made a motion to table until the next meeting, Miller 2nd, voted.</p> <p>Cochrane made a motion to enter agreement with the Town of Dighton for the use of the Police Firing Range, Miller 2nd, voted.</p>
