- Further discussion regarding ideas and options for furniture and set options.
- Producers and Shows
Kerrie Ann will be interested in doing a show. She is hoping end of May early June, but will discuss timing with Ed as the studio is not completely finished yet.
Paula Dugan has interest in doing a show and has people lined up. Has not narrowed down a start date.

- Candidate Night – Discussion regarding Cable Committee taking ownership of the night and setting the structure and rules for candidate. Will discuss further next year as elections come closer.
- Extended file storage quotes – No new quotes. Ed is still researching.
- Update on town hall maintenance – Switcher has been returned from being repaired. Ed would like to have someone come into town hall and look at our system to find out what exactly needs to be fixed. This will save time and money and get the issues resolved. (i.e. sound/volume levels)
- Renewal of tech assurance w/ Tightrope – PO was written but we have not received a bill. Ed will reach out.
