Note:

Recommend that the request for 25,000 dollars from the Berkley Plannig Board to redo the Zoning by laws come from the Reserve Fund be denied. The Finance Committee will propose that all Departments with revolving accounts withdraw 5000.00 from each along with the Town of Berkley come up with the remaining to come up with the necessary 25,000 to facilitate the Zoning by law changes.

If this can't be achieved another possible recommendation can be from the upcoming available funds.

This is a town benefit and all departments Large and Small should be able to come up with funds for the towns future including the school department.
