## Rocket and Airplane S.T.E.M. Program

DATE: Tuesday August 2, 2022  
TIME: 1pm

LOCATION: Berkley Public Library (outdoors, under the tent)

Participants will learn about aerodynamics and the history of flight as they assemble their own airplane. As these models are launched by using air pressure and arm strength, they may be launched either in-doors, or out, as weather permits; no chemicals or smoke inducing accelerates are used.

This program is recommended for ages 7 and older as participants must have basic Art and Craft skills such as: pattern cutting, taping, and gluing. These skills are required for assembly.

Register at [berkleylibrary.org](http://berkleylibrary.org) Children's Room

Contact us with questions at (508) 822-3329 or [egrady@sailsinc.org](mailto:egrady@sailsinc.org)

This program is made possible with a Berkley Cultural Council grant, a member of Mass Cultural Council.

## Family Story Hour

Second Saturday of each month  
from May through September  
10:00 am—11:00 am

Berkley Public Library presents a family-friendly outdoor story hour at Dighton Rock State Park focused on the history of Dighton Rock including stories, music, and activities. All ages are welcome. No registration required. Presented by Erica Grady, Berkley Library Children's Librarian, and Paula Dugan, Berkley Library Trustee.

Program will take place outdoors. Consider sunscreen, drinking water, and bug spray. Bring a blanket or lawn chair. During inclement weather, we will move into the Museum. Program sponsored by the Berkley Public Library, the Friends of the Dighton Rock Museum, and DCR.

## Coming Event

Department of Conservation and Recreation, Massachusetts State Parks

invite you to  
**Leave your print at the library!**

The library has a table in the Children's Room that needs a new look and we think little handprints are just the thing!

Stop by the library, drop \$1.00 in the bucket, leave your handprint on our table and become a part of your library's history!
