

# Town of Berkley Highway Department

**Robert R. Rose**

Highway Surveyor - Tree Warden  
3R North Main St., Berkley, MA 02779

May 28, 2020

## **TRANSFER STATION UPDATE**

The Transfer Station will be open in stages beginning June 3<sup>rd</sup>. Please understand that we are trying to make accommodations for all our resident's needs but at this time it is not feasible to open everything at once not only for the safety of our employees but also certain restrictions have to be put in place (social distancing etc.)

**Stage 1 will begin on June 3<sup>rd</sup>.** At this time we will be accepting orange bags, cardboard, plastic, paper, glass, metal, computers, TVs, leaves and brush.

Please flatten your plastics to conserve space.

At this time we will **not** be able to accept mattresses, furniture, paint, construction debris, tires or used oil. Also there will be **no** "Free Table" at this time.

### **Stage 2 will be posted in the near future.**

Please continue to be patient in the upcoming weeks to come until we can get back to the normal schedule. If we all work together we can get through this pandemic situation.

**Please Note:** If capacity is met on any item (during the day) we will not be able to accept any more of that particular item until the next day the Transfer Station is open.

We would like to thank all the patrons of the Transfer Station for their patience with the closure of the recycling bins these past few weeks due to unforeseen circumstances beyond our control. If we all work together we will get through this as smoothly as possible.

Thank you

  
Robert R. Rose  
Highway Surveyor

**Saturday, July 4<sup>th</sup>, The Transfer Station will be closed for the Holiday!!**
