District 5

Municipality Work Notification Form

MassDOT will be conducting work in your community in the near future. The following project information is being forwarded for distribution to appropriate Municipal Departments.

- For questions, please contact the District 5 Construction Office at 508-884-4281. Resident Engineer cell phone numbers are for the use of Municipal Officials only and should not be distributed to the general public. Please direct all public questions and complaints to the District 5 Construction Office.

Project Location (City/Town): Berkley, Lakeville and Freetown

Estimated Start Date of Work: July 8, 2019

Project Type: Replacing 4 bridges along the South Coast Rail line over the Cotley and Cedar Swamp Rivers and Fall brook.

Resident Engineer: Rajat Gogoi, cell phone 774 286 6391

Description of Work: Replacing 4 Railroad bridges and a culvert.

Contractor: J.F. White Contracting company.

Hours of Operation (Day/Night): Normal work hours, seven days per week (Sunday-Saturday), 10 hours per day on the New Bedford main line track.

Description of Traffic Management: No traffic management as such, except to access the tracks at roadway crossing for HI rail vehicles.

Estimated Duration of Work: completion date October 29,2020

Additional Information: There will be no real impacts to local roadways, except for material deliveries to the railroad Right of Way.

PLEASE NOTE ***Drivers who are traveling through the affected areas should expect delays, reduce speed, and use caution. All scheduled work is weather dependent and/or may be impacted due to an emergency situation.
