April 2, 2020

Good Morning,

As of this morning the Town of Berkley has 7 confirmed cases of COVID-19 with 4 remaining active and 3 cured, all patients have been in home isolation. The Board of Health's office will remain in contact through the duration of their illness and update our office when new information becomes available.

Our Police & Fire Department have taken all necessary precautions to continue to keep our community as safe as possible. As we receive more information we will inform the residents of Berkley.

Thank you,

Heather Martin-Sterling

Town Administrator
