Notice to Business Certificate Applicants

The Business Certificate for which you have applied is being issued to fulfill requirements of your business activity as a notice to the public that you are about to operate a business and to notify the Commonwealth of Massachusetts for the same or similar purposes. Please be advised, however, that the acquisition of this Business Certificate is the first in a series of requirements which must be met before you are legally entitled to conduct business activity. For more detailed information, you are strongly urged to confer with the Zoning & Building Official, the Special Permit Granting Authority, and other applicable jurisdictions as required by Massachusetts law; i.e., Board of Health, Conservation Commission and/or inspectors of wiring, plumbing, sanitation and structures. It is also strongly recommended that you confer with competent legal counsel and your insurance agent at the outset.
